## BizTech 2012 Infor ERP VISUAL User Conference

### CompuSoft Development to Exhibit at VISUAL User Conference

**Toledo, OH –February 10, 2012:** BizTech, an Infor10 ERP Express (VISUAL) Channel Partner and provider of information technology solutions, is pleased to announce that CompuSoft Development will be exhibiting at BizTech's 2012 Infor ERP VISUAL User Conference, '*Moving Forward with Infor10 ERP Express (VISUAL)*,' at the at the Holiday Inn Mart Plaza in Chicago, IL on March 18 – 20, 2012.

Located in South Jordan, Utah, CompuSoft Development has been writing accounting and MRP software since 1993 and is a leading innovator of enterprise reporting software solutions (ERP Reporting). CompuSoft developed a unique Business Intelligence solution that is as easy to use as a standard spreadsheet, but importantly, does not contain the inherent limitations of spreadsheets. The product, VISUAL Business Intelligence Reporting Suite (Synoptix), allows users to create any report they require – whether summary or detailed – with incredible ease, and then gives them complete drill down functionality right into the detailed data. VISUAL BI (Synoptix) has become an industry leading tool offered on many different platforms and operating systems, and has forged new territory with its cutting edge technology.
